NEW CHAIRWOMAN AT SUNI E.V.

At the end of last year Antje Waldschmidt took over as temporary chairwoman at Suni e.V. Antje is working for Suni since 2010 - during that year she spent six months in Namibia; she assisted at Mphe Thuto Primary School and worked as an intern at the German embassy in Windhoek. After that followed a year studying in South Africa and repeated visits to our partner schools in the Omaheke region; among other things she organized a teacher workshop in Gobabis. At the moment Antje is finishing her master in political science in Berlin and she is head of public affairs at Suni e.V. You can contact Antje at kontakt@suni-ev.de

THREE VOLUNTEERS OF SUNI E.V. IN NAMIBIA

Since the beginning of this school term primary school teacher Lena Nowotny is assisting the teachers at Otjivero Primary School. She is working with children with learning disabilities, concentrating on literacy and first reading exercises. Mareike Bausenwein (student of special education) and member of board Susanne Kreis are working at Morokutu Primary School since the middle of February. They concentrate on working with children in need of special education, organize art and sport projects and support the local teachers in holding an HIV/Aids club.

LAURA AND NASTASIA REPORT ON THEIR VOLUNTEER SERVICE IN WITVLEI

During their placement at the Nossob Combined School Laura Peters and Nastasia Lange assisted the local teachers in Mathematics, English and Social Studies. Together with the Namibian teachers they worked on alternative and new teaching methods. They also offered various after school activities like a frisbee club and an English club to improve the children's language skills. They resume: „It was a time full of new experiences that we will always be happy to remember.“
